Better Buildings by Design | Efficiency Vermont

FEBRUARY 4, 2015

Sam Beall, AIA

James Lewis, AIA, CPHC

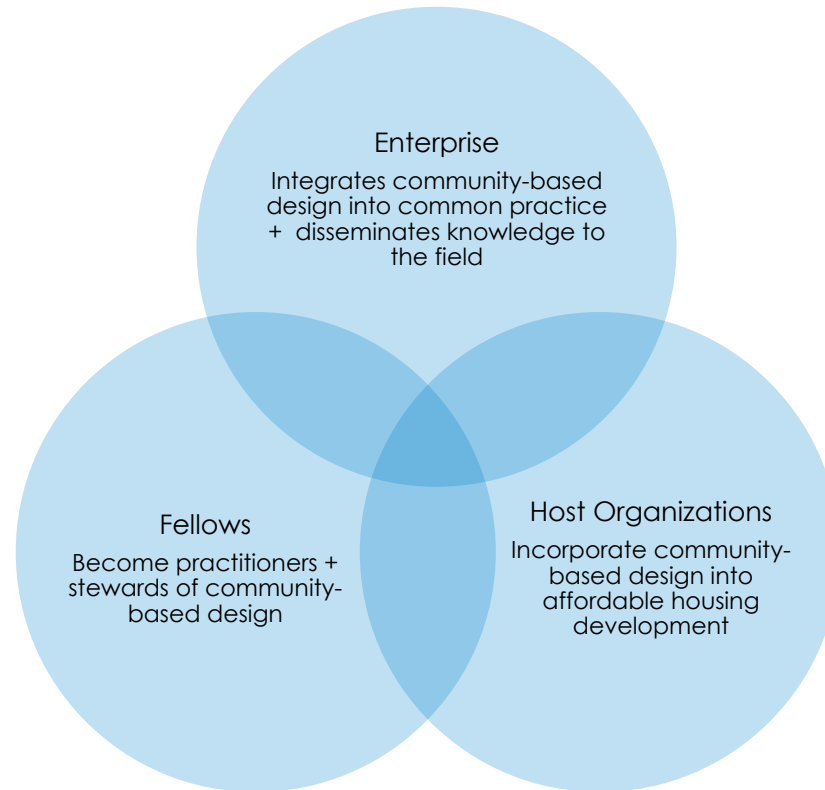

Mark Matel, Associate AIA, LEED GA

TRENDS IN MULTIFAMILY AFFORDABLE CONSTRUCTION IN COLD CLIMATES

ROSE FELLOWSHIP MISSION

To inspire and nurture [a new generation of architects](#) to be lifelong leaders dedicated to improving neighborhoods, quality of life and opportunity for people in the communities they serve.

Rose Fellows use their design and organizing skills to create sustainable affordable housing and to engage community members in the process.
